

I'm Not In Love

Grandaddy

I'm not in love
So don't forget it
It's just a simple phase I'm going through
And just because
I call you up
Don't think you got it made

I'm not in love oh no
It's because

Jingle bells
Jingle bells
Jingle all the way

I'd like to see you
But then again
You eventually end up way again out on me
So if I call you
Don't make a fuss
Don't tell your friends about the two of us

I'm not in love ohhh
It's because

You wait a long time for me
You wait a long time for me
You wait a long time for me
You wait a long time...

I keep your picture
Up on the wall
It hides the messy stain
That's lying there
So don't you ask me
To give it back
I know you know it doesn't mean that much to me
I'm not in love
I'm not in love
