

# Fallin (Temptation)

grandson

I, I, I

They told me the point was to get it  
But Nobody told me what I should do if I got it  
Chasing the high now I caught it  
Same part of the brain as narcotics

One day I know I'll regret it  
But numb to the pain I sip it I hit it I pop it  
Everyday I'm trynna top it  
Told me to stop it, changing the topic

Checking the like and the follow  
It's Feeling the same as downing a Vicodin bottle  
Living it like no tomorrow  
Living this life but it's hollow (fuck)

Granny gone wild unstable  
Life on the road has all of my demons enabled  
Breaking it down on the table  
Careful though this could be fatal

I'm fallin  
Aye aye aye  
Fallin  
Aye aye aye  
Fallin  
Aye aye aye  
I said it was the last time last time  
Wake me up I'm fallin  
Aye aye aye  
Fallin  
Aye aye aye  
Fallin  
Aye aye aye  
I said it was the last time last time

Pushed her away then I lost her  
In the DM, a stranger with a dangerous offer  
All this self loathing I foster  
The mirror reflects an imposter

Swipe up and go through the motion  
Obsessively posting, can't seem to live in the moment  
I'm just a drop in the ocean  
Everything's fine No emotion

The bank doesn't mind all the tattoos  
Cuz the cash rules  
But it isn't fulfilling its fast food  
And you watch it go past you  
Ain't coming with you ain't gonna outlast you

Temptation telling me don't let her in  
Told her I'm leaving I'm chasing this sin  
And Only thing I learned from letting it win  
Is never again

Never again  
(Never again)

I'm fallin  
Aye aye aye  
Fallin  
Aye aye aye  
Fallin  
Aye aye aye  
I said it was the last time last time  
Wake me up I'm fallin  
Aye aye aye  
Fallin  
Aye aye aye  
Fallin  
Aye aye aye  
I said it was the last time last time

Temptation  
Temptation  
I love you but I'm falling

Temptation  
Temptation  
I love you but I'm falling

I said it was the last time last time...

But I'm fallin  
Aye aye aye  
I'm fallin  
Aye aye aye  
I'm fallin  
I said it was the last time last time  
Fuck it now I'm fallin  
I'm fallin  
I'm fallin  
Aye aye aye  
I'm fallin  
Fallin  
I said it was the last time last time
