

Put Me Under

grandson

Oh, oh
Put me under
Oh, oh
Put me under

Turn off my mind, turn off the news
Turn it all off, I'm not ready to choose
Nothing is fine, nothing to lose
I think my breakdown is long overdue

Tell the doctor I'm ready for my...

Oh, oh
Put me under
Oh, oh
Put me under

Silent the sound as I come back around
Let go of all that was holdin' me down
It's gettin' too loud, alone in the crowd
Holdin' my breath for so long I might drown

Tell the doctor I'm ready for my...

Oh, oh
Put me under
Oh, oh
Put me under
Oh, oh
Put me under
Oh, oh
Put me under

The higher the climb, the harder the fall
I'm terrified none of it matters at all
I'm poppin' a pill, my head in the sand
I gotta get out of here quick as I can
Turn off the radio, miss all the calls
I can't be reminded, sick of it all
Tryin' to numb it, my head in the sand
I gotta get out of here, gotta get out
The higher the climb, the harder the fall
I'm terrified none of it matters at all
I'm poppin' a pill, my head in the sand
I gotta get out of here quick as I can
Turn off the radio, miss all the calls
Can't be reminded, sick of it all
Tryin' to numb it, my head in the sand

Put me under
Put me under
Oh, oh
Put me under (Put me under)
Oh, oh
Put me under
