

# War

grandson

Until the philosophy, which holds one race superior  
And another  
Inferior  
Is finally  
And permanently  
Discredited and abandoned

And it's war in the east  
War in the west  
War up north  
War down south  
And it's war in the east  
War in the west  
War up north  
War down south

Everywhere is war  
It's a war  
Oh, everywhere is war  
It's a war

And until there's no longer  
First class and second class citizens of any nation  
It's on  
And until the color of a man's skin is of no more  
Significance than the color of his eyes  
We say war

And it's war in the east  
War in the west  
War up north  
War down south  
And it's war in the east  
War in the west  
War up north  
And war down south

Everywhere is...  
Oh, everywhere is war  
It's a war  
Oh, everywhere is war  
It's a war  
Oh, everywhere is war

Everywhere is...  
Everywhere is war  
Everywhere is war
