

# Buy A Boy A Baseball

Granger Smith

Buy a boy a baseball  
Get him outside  
Get his hands dirty  
Take a little time  
Give a boy a bible  
Teach him how to pray  
Thank the Good Lord  
At the end of the day  
Wake him up early  
Teach him how to work  
Spend his own money  
Show him what it's worth, yeah

He's gonna know it all  
He'll slip and he'll fall  
He'll pick him self up, amen  
Yes sir, yes ma'am  
Show him how to be a man  
So one of these days he can

Buy a girl flowers  
Take her to a show  
Treat her like a lady  
And maybe down the road  
He'll give a girl a diamond  
Put it on her hand  
Watch her and her mama  
Making all the plans  
Then get a little house on a  
Little piece of land  
Build a little family  
So maybe one of these days he can, yaah
