Cherry Lipstick

Granger Smith

Girl you got those blue jeans on, your pretty hair pulled back
Just to share this night with you- I guess I'm lucky like that
I open up the passenger door, watch you slide on in
You ask me where we're going tonight with that sexy grin

I can take you all the way to Colorado
We can dance, I can two-step and tango
Doesn't matter as long as I get some time when we quit
You let me taste that cherry lipstick

I like the way your fingers feel tangled up in mine
Girl I ain't letting go of your hand all night
We can crash and go to bed early or stay and watch the sun rise
We can rush you; we don't have to worry as long as I'm by your side

I can take you all the way to Colorado
We can dance, I can two-step and tango
Doesn't matter as long as I get some time when we quit
You let me taste that cherry lipstick

It's not enough just to touch, girl you know I love your salty lips
I'll let you choose what we do as long as you let me steal a ki ss

I can take you all the way to Colorado
We can dance, I can two-step and tango
Doesn't matter as long as I get some time when we quit
You let me taste that cherry lipstick

Oh your cherry lipstick
Let me taste that cherry lipstick
