

Remington

Granger Smith

You can take a shot
If you wanna try it
Ain't too fancy but you
Just might like it
If strong as steel
In your daddy's rifle
And faith as real as your family
Bible is what you need
Then girl that's me

Oh, I'm one of a kind
I'm tough as you can find
And girl I'll fit right in the palm of your hand
If a fire and passion, good old fashioned
Son of a gun is what you're after
You've got you one
I'm a Remington

I can be stubborn
And lock up sometimes
But I'll loosen on up
If you hold me just right
Put me on a bullseye
Baby I'm dead on
I can be the rock you can
Lean your head on
When your world gets dark
I'll be your spark

Reach out for me baby
Reach out for me baby
Reach out for me baby
And let me be
Everything, everything you need

I'm a Remington
