

# Workaholic

Granger Smith

Workaholic, workaholic, workaholic  
Workaholic, workaholic, workaholic (shoot)

I ain't a go-getter, I ain't a trendsetter  
I ain't in it to win it, trying to climb a ladder  
I ain't a big fan of a yes man  
But when it comes to the weekend  
I'm a workaholic (yeah, you know where I am)

I'm work, work, working  
Working on my tan  
Working on a pinch from a Skoal can  
Working hard, hardly working at all  
Hell, I'm working up a sweat blowing up a beach ball  
Break, break, breaking  
Breaking my back  
Breaking out the cooler with the six pack  
Breaking line, fishing on a creekside  
I be putting in overtime  
I'm a workaholic

Workaholic, workaholic, workaholic (yup)  
Workaholic, workaholic, workaholic (shoot)

Ain't gonna show up early, ain't gonna leave late  
Unless of course I got a bass on my spinnerbait (that's right)  
I slide my muddy boots up, man, and get it done  
Long as whatever it is is underneath the sun

I'm work, work, working  
Working on my tan  
Working on a pinch from a Skoal can  
Working hard, hardly working at all  
Hell, I'm working up a sweat blowing up a beach ball  
Break, break, breaking  
Breaking my back  
Breaking out the cooler with the twelve pack  
Breaking line, fishing on a creekside  
I be putting in overtime  
I'm a workaholic

Workaholic, workaholic, workaholic (yes I am)  
Workaholic, workaholic, workaholic (sun's up)

Workaholic, workaholic, workaholic  
Workaholic, workaholic, workaholic

Yeah, I'm work, work, working  
Working on my tan  
Working on a pinch from a Skoal can  
Working hard, hardly working at all  
Hell, I'm working up a sweat blowing up a beach ball  
Break, break, breaking  
Breaking my back  
Breaking out the cooler with the six pack  
Breaking line, fishing on a creekside  
I be putting in overtime

I'm a workaholic

Workaholic, workaholic, workaholic  
Workaholic, workaholic, workaholic  
Workaholic, workaholic, workaholic  
Workaholic, workaholic, workaholic

When the working day is through, man, I'm a workaholic, mmh-hm  
(Workaholic, workaholic, workaholic)  
When I crack a beer or two, man, I'm a workaholic, yeah I am  
(Workaholic, workaholic, workaholic)  
When the working day is through, man, I'm a workaholic, huh  
(Workaholic, workaholic, workaholic)  
When I crack a beer or two, man, I'm a workaholic  
(Workaholic, workaholic, workaholic)  
Yee-yee
