

On My Own

Granian

It's such a simple thing
To let yourself go
The heartache that it brings
By now I should know
The feeling I used to get
With every step that I'd take

My skin is tougher now
My skin is tougher now

Divided, Deny it
Tell me what do you think of me now
That I can get by on my own two feet
Don't hide it, tell me are you a liar
Do you think of me now
That I, I said I, I'll get by on my own
Said I, I said I

All the little things
I've learned along the way
(Nothing can ever be picture perfect)
Help to heal my wounds
Without any trace
(On and on they help me carry on there)
Hands come unbound
And the only sound is silence

My thoughts are clearer now
(I'm all surrounded)
Thoughts come clearer now

Divided, Deny it
Tell me what do you think of me now
That I can get by on my own two feet
Don't hide it, tell me are you a liar
Do you think of me now
That I, I said I, I'll get by on my own
Said I, I said I

It's a wonder I couldn't get away
There's a reason I never tried
Take a 3 by 5 and save the days
My skin is tougher now
Much much thicker now
Thoughts come clearer now

Yeah... Divided, Deny it
Tell me what do you think of me now
That I can get by on my own two feet
Don't hide it, tell me are you a liar
Do you think of me now
That I, I said I, I'll get by on my own
That I, I said I, I'll get by on my own
That I, I said I, I'll get by on my own
I'll get by on my own
I'll get by on my own
Two feet

On my own two feet
