

Try This

Granian

Standing on the corner
Waiting for you to walk across my face
Wait for me, it makes you laugh,
To see me crumble_____ Oh_____
And IæŠłl stay
In hiding
WhataŠ~ insatiable I am, I am
Try this and find whataŠ~ longer
Time is never a factor
To me I need to clear my head
Of you
Always on my own
IæŠł always stumbling
It all goes the way
That you like it_____
IæŠł hiding
WhataŠ~ insatiable I am, I am
Try this and find whataŠ~ longer
Time is never a factor
To me I need to clear my head_____
It beats me but never the stronger
Find me the one that belongs here with me
I need to clear my head_____
To beat my head_____
