

# Here For The Party

Grant Gilbert

Well, I'm an eight ball shooting double-  
fisted drinking son of a gun  
I wear my jeans a little tight  
Just to watch all the girls come undone  
I'm here for the beer and the ball-busting band  
Gonna get a little crazy just because we can

You know I'm here for the party  
And I ain't leaving till they throw me out  
I'm gonna have a little fun, gonna get me some  
I'm here  
I'm here for the party

Well I may not be a ten but the girls say I clean up good  
And if I give them half a chance  
For some rowdy romance you know they would  
I've been waiting all week just to have a good time  
So bring on them cowgirls and their pick-up lines

You know I'm here for the party  
And I ain't leaving till they throw me out  
I'm gonna have a little fun, gonna get me some  
I'm here  
I'm here for the party

Don't want no purple hooter shooter, just some Jack on the rock  
s  
So don't mind me if I start that trashy talk

You know I'm here for the party  
And I ain't leaving till they throw me out  
I'm gonna have a little fun, gonna get me some  
I'm here  
I, I

You know I'm here for the party  
And I ain't leaving till they throw me out  
I'm gonna have a little fun, gonna get me some  
I'm here  
I'm here for the party

Just try and throw me out  
You know I'm here
