

What's Stopping Us

Grant Gilbert

Can I sit down, you want another round
You can put it on my tab
I've been around the world and
I've never seen a girl shoot Jack like that
So tell me are ya heartbroken
Or are you just blowing off some steam
Can't lie, I was kinda hoping
You were looking for a guy like me

I'm not saying tonight I got to take you home, girl
All I'm saying is I can't watch ya drink alone, girl
Whatcha name, whatcha do, where ya from
Wanna take a shot just because
We ain't gotta go all in, fall in love
But what's stopping us

Tell me if I'm wrong but don't this song
Make ya wanna hit the dance floor
Or if you wanna dip, I can leave a tip
And we can two-step out the backdoor
Girl, I see I got ya smiling... guess it's going pretty good so far
Be funny if on down the road, we tell people we met in this bar

I'm not saying tonight I got to take you home, girl
All I'm saying is I can't watch ya drink alone, girl
Whatcha name, whatcha do, where ya from
Wanna take a shot just because
We ain't gotta go all in, fall in love
But what's stopping us

I'm just saying what's on my mind and it might sound crazy
You ain't gotta say "yes" or "no", girl, tonight I'm alright with a "maybe"

I'm not saying tonight I got to take you home, girl
All I'm saying is I can't watch ya drink alone, girl
Whatcha name, whatcha do, where ya from
Wanna take a shot just because
We ain't gotta go all in, fall in love
We ain't gotta go all in, fall in love
But what's stopping us

Ooh, what's stopping us
