

France

Grateful Dead

Way down in the south of france all the ladies love to dance
Kick their heels up in the air snap their fingers for romance

While the gentlemen compare blonde or black or auburn hair
Check the motion and the style oh, you know they take their while

Hey, to make the motion more complete, yeah, to make it more a treat
Club djour is where to go come on down and see the show

When the rhythms really right you can burn it down tonight
When the singings really fine sweet as spanish sherry wine

When the club cant contain the beat it just rolls out in the street
Spills on down the avenue bringing dancers to their feet.

When its good as it can be it gets better wait and see
Oh, these folks dont ever sleep till theyre passed out in the street

Way down in the south of france all the ladies love to dance
Clap their hands and walk on air, yeah, the feelings really there
Wont you take a little taste raise it to your charming face?

When the rhythms really right you can burn it down tonight
When the singings really fine sweet as spanish sherry wine

Go on take a chance, the ladies do love to dance.
