## **Playing in the Band**

## **Grateful Dead**

Some folks trust to reason Others trust to might I don't trust to nothing But I know it come out right

Say it once again now Oh I hope you understand When it's done and over Lord, a man is just a man

Playing Playing in the band Daybreak Daybreak on the land

Some folks look for answers Others look for fights Some folks up in treetops Just look to see the sights

I can tell your future Look what's in your hand But I can't stop for nothing I'm just playing in the band

Playing Playing in the band Daybreak Daybreak on the land

Standing on a tower World at my command You just keep a turning While I'm playing in the band

If a man among you Got no sin upon his hand Let him cast a stone at me For playing in the band

Playing Playing in the band Daybreak Daybreak on the land Playing Playing in the band Daybreak Daybreak on the land
