Run For The Roses

Grateful Dead

```
     A      D    A    G
R: Run, run, run for the roses.
        A        G         D
   The quicker it opens the sooner it closes.
   A       G      D
   Man, oh man, oh friend of mine,
   A        G        D    A
   All good things in all good time

A  B  A  B  A  B  A  B

   E                A                        D  A  E  A
1. Reach for the sun, catch hold of the moon
   E                A                     D  A  E  A
   They're both too heavy, but what can you do?
   F#m             E                  D  A  E  A
   Reach for the stars, smack into the sky
   E            A                     D
   You don't want to live but your chicken to die
   F#m          E         D
   Ooh, you're chicken to die

R: Run, run, run...

2. Run for the money, caught short on the rent
   Big ideas but the cash is all spent
   The trouble with love is its other face
   You just want the cup but you don't want the race
   No, you don't want the race

R: Run, run, run...

3. Reach for the rose, get caught on the briar
   You're warming to love, next thing there's a fire
   If you've got the "do-re", I've got the "mi"
   I've got a notion, we're all at sea
   Yes, we're all at sea

R: Run, run, run... (2x)
