## **Sunrise**

## **Grateful Dead**

Gazing at the fire, burning by the water Before he speaks the world around us quiets.

With eyes as sharp as arrows and turning to the fire He clears the air and cuts it with a feather.

Many in a circle slowly round the fire When he is gone I want to know him better.

No one is forsaken, no one is a liar, He plants the tree of life on our foreheads with water.

He hums, there are drums, four winds, rising suns, We are singing and playing, I her him saying.

I remember breezes from winds inside your body Keep me high, like I told you, Ill sing to them this story and know why.
