Red and white, blue suede shoes, i'm uncle sam, how do you do?
Gimme five, i'm still alive, ain't no luck, i learned to duck.
Check my pulse, it don't change. stay seventy-
two come shine or rain.
Wave the flag, pop the bag, rock the boat, skin the goat.
Wave that flag, wave it wide and high.
Summertime done, come and gone, my, oh, my.

I'm uncle sam, that's who i am; been hidin' out in a rock and r
oll band.
Shake the hand that shook the hand of p.t. barnum and charlie c
han.
Shine your shoes, light your fuse. can you use them ol' u.s. bl
ues?
I'll drink your health, share your wealth, run your life, steal
your wife.
Wave that flag, wave it wide and high.
Summertime done, come and gone, my, oh, my.

Back to back chicken shack. son of a gun, better change your ac
t.
We're all confused, what's to lose?
Wave that flag, wave it wide and high.
Summertime done, come and gone, my, oh, my.
