

## Barbarian

## Grave Digger

Raging through fields  
Covered with death  
Killing families  
A never ending tragedy  
Hunting the victims  
Till blood runs dry  
Pursued all enemies  
Eye to eye

Fire and blood  
Torture and pain  
Darkness and sorrow  
Again and again

Cold blooded murderer  
Killer of the Jacobites  
Butcher of Culloden  
Cumberland the barbarian

Winds of war  
Tales from hell  
Chaos reigns  
Endless pain  
A trail of devastation  
He leaves behind  
Merciless they call him  
Wretched for his mind

Fire and blood  
Torture and pain  
Darkness and sorrow  
Again and again

Cold blooded murderer  
Killer of the Jacobites  
Butcher of Culloden  
Cumberland the barbarian

Cold blooded murderer  
Killer of the Jacobites  
Butcher of Culloden  
Cumberland the barbarian  
Cold blooded murderer  
Killer of the Jacobites  
Butcher of Culloden  
Cumberland the barbarian
