

# Black Widows

Grave Digger

Out of the cold, they are rising up  
Nameless creatures, bent on revenge  
They follow blind, a senseless idol  
Their religion is black and suicidal

Black is the colour  
Black is their mind

BRINGER OF CHAOS  
OF FIRE AND STORM  
LIFE MEANS NOTHING  
DEATH IS THEIR FATE  
BLACK WIDOWS KILL PEOPLE  
IN THE NAME OF HATE

Like invincible spiders, they creeping around  
You can't see them, they're underground  
A trail of blood they leave behind  
They are a pest for all mankind

Black is the colour  
Black is their mind

BRINGER OF CHAOS  
OF FIRE AND STORM  
LIFE MEANS NOTHING  
DEATH IS THEIR FATE  
BLACK WIDOWS KILL PEOPLE  
IN THE NAME OF HATE

Black Widows  
Black Widows  
Black Widows kill people  
In the name of hate
