so for all y'all niggaz out there that be puffin shit When the music go on, y'all listen to this alright?

Let's get it on ock, and watch the spot get blown
I be the sick lunatic with the devilish poem
From the mists of the darkness I come with this
Hittin straight, to the chest, like a primatene mist
Ryzarector, yah, the fanatical type
I'm like a bat, in the night, when it's time to take flight
Here I am, in the flesh, and yes I love sess
I'm obsessed, by the sounds, the track posess
Intellectual, killer, special majestical
Ropin up the devils have em hangin from my testicles
Nowhere to run to ba-bay
There's nowhere to hide

Ahh... fuckit! another day, another ducat
From here to nantucket mc's kick the bucket
I'm rugged ruff flow-in up till I bust
While other rappers is flatter than a white girl's butt
I manifest my name and the reason I came in the first place
Word shake your brain just like an earthquake
A lot of people admit that I am raw
I cover my ass like a v-i-m, store
My forms are real wicked like dahmer
A whole mob of a lot of niggaz is like a meal ticket
It's nowhere to run to ba-bay
It's nowhere to hide

Υo

As a child, a bad seed, was on the prowl Runnin mad wild, cause death was my style The crazy, maniac, yo lunatic I circle like a shark when the fresh blood drips Needles to the pen now you're in I eat em then I feed em chop chop rippin sheets from your skin Terror is in, with the rza and the grym Problem one now begins, hah! Streak up your skull to the sides of a freedom Record to the meter, so tell me who could be the next one Gravediggaz complex death oath And watch king tee, kill a fuckin note Here we go, I'm cursed with dawn you was warned And now, I'm slayin every new firstborn It's nowhere to run to ba-bay It's nowhere to hide It's nowhere to run to ba-bay You best to stay inside You best to stay inside

Here comes the drastic...Just like... a tactic, attack it, attackin, attackin

I'm wrappin you bastard now prepare your casket

Death is the final step, when y'all step

To intercept, the rep, of a brother, who has kept

His status, stop the madness, that is

I flow just to show that, black, y'all can know that Me, being wack is like naps on kojak
Eruptions of volcanoes, o-ccur when I speak
Try to twist my dialect and get caught by tornadoes
There's nowhere to run to ba-bay
There's nowhere to hide
There's nowhere to run to ba-bay
You best to stay inside

{nowhere to run, nowhere to hide
Nowhere to run, nowhere to hi
