

Cold Love

Graveyard

So cold love
What did you do to me
How did you find me
Why do you follow me
I don't know, you don't know
One of these days I'll go

Traveling sideways nowhere bound
Round about midnight sparks will be flying
Through the land in shadow, land at night
All you can see is the glow of my headlights

Railroad of earth has no stopping signs
The track runs in circles but the train is on time
One day it's here and the next day it's gone
Just like the place it is coming from
The station's a ruin, the conductor's in
Go if you want to find out what it feels like

Traveling sideways nowhere bound
Round about midnight sparks will be flying
Through the land in shadow, land at night
All you can see is the wandering glow of my

So cold love
What have you done to me
How did you find me
Why do you follow me
I don't know, you don't know
I have somewhere to go
Somewhere your so cold love can never follow

So cold love
What do you see in me
How did you get to me
What do you want from me
I don't know, you don't know
One of these days I'll go

Traveling sideways nowhere bound
Round about midnight sparks will be flying
You're feeling the rattle in your bones tonight
But all you can see is the glow of my headlights

So cold love
What did you do to me
How did you find me
Why do you follow me
So cold love
What did you do to me
How did you find me
Why do you follow me
I don't know, you don't know
I have somewhere to go
Somewhere your so cold love can never follow
