The Burning Gate

Graveyard

pen the space to outer dimensions
Speak the ancient words of wrath
Invocation of the beast
Fire, the burning gate

Gods of the waiting ones
Gods of the fallen lords
Gods of the rotten corpse
Gods of the unholy mass

I am the key, I am the gate
I am the gate, I am the key

Open the space to outer dimensions
Speak the ancient words of wrath
Invocation of the beast
Fire, the burning gate
