

Bad Love

Grayscale

Jenny works at the coffee shop on 11th
Just down the block
She doesn't know much about me
No, she just knows all the pretty parts
Now she can't stop with speedballs
Tying off with seatbelts in the front seat of my car
She says, "It's how you heal from what you've been through
As a sinner that shows what kind of a person you are"

You know I love you like no other
But we're bad for each other
Think we should run for cover now

We got bad love, wait a minute, I
Don't think that you want in it, nah
It's all lust, it's so typical
Don't know how it could be so difficult
Bad love, wait a minute, I
Don't think that your heart's in it, nah
It's all lust, it's so cynical
Don't know how you can be so hypocritical

We got bad love, bad love

If only I could just show you how much I love ya
Would you stop doing this to yourself?
Train tracks between your fingers, giving yourself those splinters
Think it's time we got some serious help
Still want your evil hands, devil horns, honey lips, fangs drawn
Summersault, high score, I, I
Just want us to feel better, I wanna fly together
So mix it up, let's never come down

We got bad love, wait a minute, I
Don't think that you want in it, nah
It's all lust, it's so typical
Don't know how it could be so difficult
Bad love, wait a minute, I
Don't think that your heart's in it, nah
It's all lust, it's so cynical
Don't know how you can be so hypocritical

We got bad love, bad love

Let's not be so hard on each other
Lock arms with one another
'Cause I love you like the summer
But damn, I'm such a sucker

We got bad love, wait a minute, I
Don't think that you want in it, nah
It's all lust, it's so typical
Don't know how it could be so difficult
Bad love, wait a minute, I
Don't think that your heart's in it, nah
It's all lust, it's so cynical
Don't know how you can be so hypocritical

We got bad love, bad love
We got bad love, bad love
