## Grayscale

Damn, I'm feeling alive  
The sun deep in my eyes  
Whatchu up to?  
Pick you up soon  
Shoot up, talk about God  
Used to be, but I'm not  
Feeling so blue  
Not supposed to

Pull into your driveway  
With a matte black 70s Benz  
Something 'bout the way you walk, honey  
Puts me over the edge  
I know it took some time  
But I got my footing right  
Feeling, I'm feeling so good tonight

Can't stop me from dancing  
Can't keep me from blooming  
Welcome to my, welcome to my  
This world is my diamond  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh  
Can't hang when I'm moving  
Can't stop what I'm doing  
So take your time, take your time  
No more of us losing  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh

Say they know but they lie  
Sunset in your eyes  
Think I love you  
You feel it too?  
Feels like we've really arrived  
No more trying to survive  
Only good days, just  
Glad you're with me

Pull into your driveway  
With a matte black 70s Benz  
Something 'bout the way you walk, honey  
Puts me over the edge  
I know it took some time  
But I got my footing right  
Feeling, I'm feeling so good tonight

Can't stop me from dancing  
Can't keep me from blooming  
Welcome to my, welcome to my  
This world is my diamond  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh (my diamond)  
Can't hang when I'm moving

Can't stop what I'm doing  
So take your time, take your time  
No more of us losing  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh (no more of us losing)

Can't stop me from dancing  
Can't stop me from dancing  
Ooh, ooh-ooh-ooh
