

Don't Leave Me In The Dark

Grayscale

Climbing up a hill of feathers you can't get up by yourself
It's been crushing me to watch you cry for help
And you can slide me every reason, I ain't quitting on those eyes
Teary, looking up at me, you say slow

Please don't leave me in the dark
Leave me in the dark
Leave me like this
Please don't leave me now
Don't leave me in the dark
Leave me in the dark
Leave me like this
Please don't leave me now
Don't leave me in the dark

(Don't leave me in the dark)

I'd like to think that you'll get clean but wouldn't bet on it myself
They overmedicate for money, they don't really want to help
All I want for you is peace and sleep and sunlight on your face
Oh I pray to god, I'm begging you to stay

Don't leave me in the dark
Leave me in the dark
Leave me like this
Please don't leave me now
Don't leave me in the dark
Leave me in the dark
Leave me like this
Please don't leave me now
Don't leave me in the dark

(Don't leave me in the dark, leave me in the dark, leave me in the dark)
Don't leave me in the dark (Please)
(Don't leave me in the dark, leave me in the dark, leave me in the dark)
Don't leave me in the dark

Oh, don't leave me in the dark
(Don't leave me in the dark, leave me in the dark, leave me in the dark)
Don't leave me in the dark
(Don't leave me in the dark, leave me in the dark, leave me in the dark)
No, don't leave me in the dark
(Don't leave me in the dark, leave me in the dark, leave me in the dark)
Don't leave me in the dark
(Don't leave me in the dark, leave me in the dark, leave me in the dark)
Don't leave me, don't leave me

Don't leave me in the dark
Leave me in the dark
Leave me like this
Please don't leave me now
Don't leave me in the dark
Leave me in the dark
Leave me like this
Please don't leave me now

Don't leave me in the dark

Leave me in the dark
Leave me like this
Please don't leave me now
Don't leave me in the dark
Leave me in the dark
Leave me like this
Please don't leave me now
