

# Let Go

## Grayscale

See the change in my face now  
'Cause I'm finally waking up  
Stepping out of my cage now  
Yeah, I've had enough  
I know you wanted a breakdown  
'Cause I feel more comfortable  
When I'm under your dark cloud  
But I open my mouth and it's all coming out

Patience, you've been testing my patience  
Baiting me to just cave in  
And pushing me to let go  
And I hate it  
Hate the picture you're painting  
Hate the way you're so tasteless  
Holding on to your rope  
So I let go

La-da-da-da-da  
La-da-da-da-da  
La-da-da-da-da

Feel a change in my brain now  
'Cause I'm finally seeing straight  
Walking out of the haze now  
Not loving myself  
Feel it turning the page now  
Spiritual pace now  
Stars interlaced, cycles put into place now  
You wanted a breakdown  
But the sun's coming out, yeah

Sacred, think your brain is so sacred  
Quick to dish out your statement  
Talking down from your throne  
And I hate it  
Hate the way you're so jaded  
Hate the piece that you're faking  
Falling for the smoke  
So I let go

La-da-da-da-da  
La-da-da-da-da (So I let go)  
La-da-da-da-da  
(Killing me to hold on, so I let go)  
La-da-da-da-da  
La-da-da-da-da (So I let go)  
La-da-da-da-da (So I let go)  
(So I let go)

Holding on to your rope  
Falling for all the smoke  
Staging all these hopes  
Throwing all these stones  
So I let go

So I let go

So I let go  
La-da-da-da-da  
La-da-da-da-da (So I let go)  
La-da-da-da-da  
(Killing me to hold on, so I let go)  
La-da-da-da-da  
La-da-da-da-da (So I let go)  
La-da-da-da-da  
(Killing me to hold on, so I let go)
