

## Say It All

Great Good Fine OK

It's summer, but no one's calling  
'Cause somewhere there's something new  
And you wait for someone special  
Sit around gonna think this whole thing through

I wonder if someone would get me  
Forced and refuse to cry  
Why settle for something less than  
Say it all or get out of my life

Say it all  
Say it all  
Say it all  
Say it all

Hiding behind the corner  
It's okay for the sun beneath my heart  
It's half the things that let you free me  
And half the things that never starts  
Say it all

I've given you everything  
(Say it all)  
I've given you everything  
(Say it all)  
I release my faith and all my pain  
Will come to help me  
Say it all

I can handle  
Let me handle  
Work with nothing  
Be a man

I can handle  
Let me handle  
Work with nothing  
Trying to get it all

I'll handle  
Let me handle  
Work with nothing  
Be a man

I can handle  
Let me handle  
Work with nothing  
Trying to get it all  
Or get out of my life  
Say it all

Say it all  
Say it all  
Say it all  
Say it all

I've given you everything

(Say it all)  
I've given you everything  
(Say it all)  
I release my faith and all my pain  
Will come to help me  
Say it all

I've given you everything  
(Say it all)  
I've given you everything  
(Say it all)  
I release my faith and all my pain  
Will come to help me  
Say it all

Let me handle  
Work with nothing  
Be a man

I can handle  
Let me handle  
Work with nothing  
Trying to get it all

I'll handle  
Let me handle  
Work with nothing  
Be a man

I can handle  
Let me handle  
Work with nothing  
Trying to get it all  
Or get out of my life  
Say it all

Say it all  
Say it all  
Say it all
