

Caledonia

Great White

Caledonia caledonia seeing you walk by
Make a river twist and shout shakes the birds down from the sky
Caledonia who could own you spirit of romance
Caledonia caledonia dance

Caledonia caledonia your simple little greed
Make an inch of a loser's wings make a fool right out of me
Caledonia who could own you spirit of romance
Caledonia caledonia dance

Caledonia caledonia you make my senses fly
Give me reason to believe and I don't wonder why
Caledonia who could own you spirit of romance
Caledonia caledonia dance

Caledonia caledonia you satisfy my soul
Caledonia caledonia we'll move it slow
Caledonia caledonia
Caledonia caledonia
