I Don't Need No Doctor

Great White

I don't need no doctor 'cause I know what's ailing me I don't need no doctor 'cause I know what's ailing me All I need is my baby, you don't know why I'm in misery

I don't need no doctor, I don't need no doctor

I don't need no doctor, my prescription tells me that I don't need no doctor, my prescription tells me that All I need is my baby, you don't know why I'm in misery

I don't need no doctor, I don't need no doctor I don't need no doctor, I don't need no doctor

Well, the doctor said I need rest, ooh ooh He put me on the critical list, ooh ooh Keeping me safe from harm, ooh ooh All I need is her sweet charm, ooh ooh

He gave me a medicated lotion, that wouldn't do Ooh, yeah my emotion, oh yeah, no doctor no

I don't need no doctor, I don't need no doctor I don't need no doctor, I don't need no doctor
