

Sarcastic

Greedy Invalid

lying high on wings of mine independency
I've finally recognized my deepest tendencies

You told you did the best
And you still do leaving me
I believe you
'Cause there was no better way out of here

I can see tears in your eyes

I felt very weak as you've been
Taking a part of my energy
It's over I will seek for a woman
Who likes my heart and synergy
I'll be strong carry on
