

## The Blue Picture

Greedy Invalid

The picture of You  
I drew into my diary  
That's how I realized  
My Love is really true

That picture was blue  
And I felt like I am screaming  
Every letter of your name  
Your precious name

I will die if you leave me somewhere somehow  
I will try not to act in a similar way  
Gods are blind you shouldn't lean up on them  
You can cry only tears of happiness

Acting like a child  
Excitement I feel towards you  
It thrills my veins  
Oh my sweetest nymph

I've become quite mild  
A tamed savage brave  
Irrationality wins again

The picture of You  
I drew into my diary  
That's how I realized  
My Love is sincere

That picture was blue  
And I felt like I am screaming  
Every letter of your name
