

If This Is The End (The Sound Of Belief)

Greek Fire

If this is the end
Well it wasn't invited
If this is the end
I don't know how to fight it
If this is the end
Most times I was overwhelmed
If this is the end
I'm not sure when I was myself

I wanna wave the flag of surrender
While I am starting a war
I wanna be the lonely hero
A million miles from shore
I wanna know that you understood me
And every minute I cost
I wanna hear that "all is forgiven"
For every moment I lost
If this is the end

If this is the end
I wanna be screaming genius
If this is the end
I wanna admit I was wrong
If this is the end
I wanna leave a disaster
And if this is the end
Don't wanna leave you alone

I wanna wave the flag of surrender
While I'm starting a war
I wanna be the lonely hero
A million miles from shore
I wanna know that you understood me
And everybody I crossed
I wanna hear that "all is forgiven"
For all the love I lost
If this is the end

Now that I'm asking the question
I'm finding out who I am
I fought this world with aggression
But found me lost in the end
I've got a new revelation
I'm letting go with both hands
And every single emotion
Has a voice again
Can you hear it?
That's the sound of belief

I wanna wave the flag of surrender
While I am fighting a war
(Because this isn't the end)
I wanna be the lonely hero
A million miles from shore
(Because this isn't the end)
I wanna know that you understand me
And every minute I cost

(Because this isn't the end)
I wanna hear that "all is forgiven"
For all the hope that I'd lost
