

Kill for You

Greeley Estates

I see you, I feel you
Your presence leaves me shaken
Your beauty trumps anything
I don't know how to be without you

I'd kill for you, do anything for you
If you're the air that I breathe I'll breathe slowly
I don't know what I need, all I know is I want you with me
I don't know what I want, all I know is I need you here with me
'Cause I'm dying
Here with me
Without you

I'm just a broken man, I'm just a lost cause
Empty but not forgotten
I'm just a hollow shell of who I used to be
I'm lost when you're not with me

I'm just a broken man, I'm just a lost cause
Empty but not forgotten

I'd kill for you, do anything for you
If you're the air that I breathe I'll breathe slowly
I don't know what I need, all I know is I want you with me
I don't know what I want, all I know is I need you here with me
'Cause I'm dying
Here with me
Without you

I'm just a broken man, I'm just a lost cause
Empty but not forgotten
I'm just a hollow shell of who I used to be
I'm lost when you're not with me

When I'm barley breathing you're my oxygen
You fill my lungs and bring me back to life again

When I'm barley breathing you're my oxygen
You fill my lungs and bring me back to life again
When I'm barley breathing you're my oxygen
You fill my lungs and bring me back to life again

I'd kill for you, do anything for you
If you're the air that I breathe I'll breathe slowly

I'm just a broken man, I'm just a lost cause
Empty but not forgotten
I'm just a hollow shell of who I used to be
I'm lost when you're not with me

When I'm barley breathing you're my oxygen
You fill my lungs and bring me back to life again
When I'm barley breathing you're my oxygen
You fill my lungs and bring me back to life again

When I'm barley breathing you're my oxygen
You fill my lungs and bring me back to life again
