

Tear My World Apart

Greeley Estates

it's taken all this time for me to realize
what you mean to me
if i had one more chance then i would take it all back
just to show you i can't live without you here

you tear my world apart
if only i could just make this right (there's nothing i want more)
there's nothing i want more
than just to be with you (be with you)

just when i thought i'd found who i've been searching for
you say i'm too late
have you forgotten all that we shared in the past
just another chance is all that i ask

you tear my world apart
if only i could just make this right (there's nothing i want more)
there's nothing i want more
than just to be with you (be with you)

take my hand we'll disappear from it all
it doesn't make sense if you're not here with me
