

# The Last Dance

Greeley Estates

Wake up and see that the world's at your feet.  
It's now or it's never!  
Nothing can take this away from me, 'cause it's all  
that I've got.

Last chance to set into motion,  
Last chance to fill in the blank page,  
Last chance to prove you're the real thing  
Before it's over.

I've bled for this, died for it, all for the cause, and  
I still believe.  
I've given everything that I've got in this life, and  
it's all I've got.  
You're not gonna make me change my mind, 'cause it's  
set in stone.  
Nothing can take this away from me, 'cause it's all  
I've got.

Last chance to set into motion,  
Last chance to fill in the blank page,  
Last chance to prove you're the real thing  
Before it's over.

Last chance to set into motion,  
Last chance to fill in the blank page,  
Last chance to prove you're the real thing  
Before it's over.

The last dance is finally upon us.  
It's time to show we belong here.  
We won't let anything in our way.

The last dance is finally upon us.  
It's time to show we belong here.  
We won't let anything in our way.

The last dance is finally upon us.  
It's time to show we belong here.  
We won't let anything in our way.  
Anything in our way.

Last chance to set into motion,  
Last chance to fill in the blank page,  
Last chance to prove you're the real thing  
Before it's over.

Last chance to set into motion,  
Last chance to fill in the blank page,  
Last chance to prove you're the real thing  
Before it's over.

Will somebody, anybody, wake up and see  
It's now or it's never?  
Don't wait for tomorrow 'cause there's no guarantees,  
It's now or it's never.  
You're not gonna make me change my mind, 'cause it's

set in stone.  
Nothing can take this away from me, 'cause it's all  
that I've got.
