

Are We The Waiting

Green Day

A, D

A **D**
Starry nights, city lights coming down over me

A **D**
Skyscrapers and stargazers in my head

A **D**
Are we we are, are we we are the waiting unknown

F#m **E** **D**
This dirty town was burning down in my dreams

F#m **E** **D**
Lost and found city bound in my dreams

And screaming

A **D**
Are we we are, Are we we are the waiting...

And screaming

A **D**
Are we we are, Are we we are the waiting...unknown

A **D**
Forget me nots, second thoughts live in isolation

A **D**
Heads or tails and fairytales in my mind

A **D**
Are we we are, Are we we are the waiting unknown

F#m **E** **D**
The rage and love, the story of my life

F#m **E** **D**
The Jesus of suburbia is a lie
