Green Day

Do you wanna be my girlfriend?  
I'll take you to a movie that we've already seen  
Or sit at home and watch reruns  
There's no other place I'd wanna be

Do you wanna be my girlfriend?  
Do you wanna be my girlfriend?

Do you wanna be my boyfriend?  
We'll walk the cemetery  
And I'll kiss you again  
And make our dead friends blush, oh woah  
We'll be getting married right there on the scene  
Do you wanna be my best friend?  
You can drive me crazy  
All over again  
And I'll bore you to death, oh woah  
Doesn't matter when we are in love

Do you wanna be my boyfriend?  
Do you wanna be my boyfriend?  
Do you wanna be my boyfriend?  
Do you wanna be my boyfriend?

You're not just any type of girl  
My one true love  
And you're my world

Do you wanna be my girlfriend?  
Do you wanna be my boyfriend?  
Do you wanna be my boyfriend?  
Do you wanna be my  
Do you wanna be my

Do you wanna be my girlfriend?  
Do you wanna be my boyfriend?  
Do you wanna be my boyfriend?  
Do you wanna be my  
Do you wanna be my
