

## East Jesus Nowhere

Green Day

Raise your hands now to testify  
Your confession will be crucified  
You're a sacrificial suicide  
Like a dog that's been sodomized  
Stand up! - all the white boys  
Sit down! - all the black girls  
You're the soldiers of the new world

Put your faith in a miracle  
And it's non-denominational  
Join the choir we will be singing  
In the church of wishful thinking

A fire burns today  
Of blasphemy and genocide  
The sirens of decay  
Will infiltrate the faith fanatics

Oh bless me lord for I have sinned  
It's been a lifetime since I last confessed  
I threw my crutches in "the river  
Of a shadow of doubt"  
And I'll be dressed in my Sunday best

Say a prayer for the family  
Drop a coin for humanity  
Ain't this uniform so flattering?  
I never asked you a God damned thing

A fire burns today  
Of blasphemy and genocide  
The sirens of decay  
Will infiltrate the faith fanatics

Don't test me  
Second guess me  
Protest me  
You will disappear

I want to know who's allowed to breed  
All the dogs who never learned to read  
Missionary politicians  
And the cops of a new religion

A fire burns today  
Of blasphemy and genocide  
The sirens of decay  
Will infiltrate the inside
