

# Give Me Novacaine

Green Day

**A F#mi Hmi E**

**A** **F#mi**  
1. Take away the sensation inside  
**Hmi** **E**  
Bittersweet migraine in my head  
It's like a throbbing toothache of the mind  
I can't take this feeling anymore

**D** **A**  
R: Drain the pressure from the swelling,  
**D** **A**  
The sensation's overwhelming,  
**D** **F#mi**  
Give me a kiss goodnight and everything will be alright  
**Hmi** **E**  
Tell me that I won't feel a thing  
**A**  
So give me novacaine

2. Out of body and out of mind  
Kiss the demons out of my dreams  
I get the funny feeling, that's alright  
Jimmy says it's better than air,  
I'll tell you why

R: Drain the pressure...

Oh Novacaine
