

# Going To Pasalacqua

Green Day

Here we go again, infatuation  
Touches me just when I  
Thought that it would end  
Oh but then again it seems  
Much more than that but  
I'm not sure exactly what you're thinking

Well, I toss and turn all night  
Thinking of your ways of effection  
But to find that it's not different at all  
I throw away my past mistakes  
And contemplate my future  
That's when I say...  
What the hey!

Would we last forever?  
You and I together, hand and hand  
We run away (far away)  
I'm miss my nasty weather  
But I'll take whatever you can  
Give that comes my way (far away)
