## **Good Riddance (Time Of Your Life)**

**Green Day** 

|            | G  | С                               | D                  |
|------------|--|---------------------------------|--------------------|
| 1.         | Another turning                          | g point a fork stuc             | k in the road      |
|            | G  | С                               | D                  |
|            | Time grabs you                           | by the wirst direc              | ts you where to go |
|            | Emi D                                    | С                               | G                  |
|            | So make the bes                          | st of this test and             | don't ask why      |
|            | Emi D                                    | С                               | G                  |
|            | It's not a ques                          | stion but a lesson              | learned in time    |
|            |  |                                 |                    |
|            |  |                                 |                    |
|            | Emi                                      | G                               |                    |
| R:         | <b>Emi</b> It's something                | _                               |                    |
| R:         |  | _                               |                    |
| R:         | It's something                           | unpredictable <b>G</b>          |                    |
| R:         | It's something Emi                       | unpredictable <b>G</b>          |                    |
| R <b>:</b> | It's something  Emi  But in the end  Emi | unpredictable <b>G</b> is right |                    |

2. So take the photographs and still frames in your mind Hang them on a shelf in good health and good time Tattoos of memories and dead skin on trial For what it's worth it was worth all the wile

R: It's something unpredictable...
