Good Riddance

Green Day

```
G                        C              D
Another turning point, a fork stuck in the road
G                             C                      D
Time grabs you by the wrist, directs you where to go
Emi          D                  C             G
So make the best of this test, and don't ask why
Emi        D               C                  G
It's not a question, but a lesson learned in time

   Emi                 G           Emi              G
It's something unpredictable, but in the end is right.
  Emi                 D           G
I hope you had the time of your life.

So take the photographs, and still frames in your mind
Hang it on a shelf of good health and good time
Tattoos of memories and dead skin on trial
For what it's worth it was worth all the while

It's something unpredictable, but in the end is right.
I hope you had the time of your life.

It's something unpredictable, but in the end is right.
I hope you had the time of your life.

It's something unpredictable, but in the end is right.
I hope you had the time of your life.
