

# No One Knows

Green Day

**G** **D**  
1. Why should my fun have to end?

**A**  
For me it's only the beginning

**G** **D**  
I see my friends begin to age

**A**  
A short countdown to what end

**G** **D** **A**  
R: Call me irresponsible

**G** **D** **A**  
Call me habitual

**G** **D**  
But when you think of me

**G** **D**  
Do you fill your head with schemes

**G** **D**  
Better think again

**A**  
Cause no one knows

2. I don't want to cause no harm  
But sometimes my actions hurt  
Is there something I should find  
To make plans for forever

R: Call me irresponsible... (2x)

\*: Does it seem like all your memories fade  
You soak up knowledge to fill the space  
And still my answer remains  
I don't know
