

# One Eyed Bastard

Green Day

I'm making an offer that you cannot deny  
You won't be laughing when I'm making you cry  
'Cause, ay-oh! I hear the pleas get louder  
You son of a bitch, you're gonna beg and cower

Vendetta is a friend of mine  
Revenge is sweeter than wine  
I never asked to hear your god-damned feelings  
Get on your knees when you are kissing my ring

Bada bing, bada bing, bada boom  
Bada bing, bada bing, bada boom

Well, I can remember all the bad memories  
I never forget a face that's quite so ugly  
Ay-oh! Lost years are wasted  
I always liked you, but I'm glad that you're all dead

Vendetta is a friend of mine  
Revenge is sweeter than wine  
I never asked to hear your god-damned feelings  
Get on your knees when you are kissing my ring

Bada bing, bada bing, bada boom  
Bada bing, bada bing, bada boom

I'm making an offer that you cannot deny  
You won't be laughing when I'm making you cry  
'Cause, ay-oh! I hear the pleas get louder  
You son of a bitch, you're gonna beg and cower

Bada bing, bada bing, bada boom  
Bada bing, bada bing, bada boom  
Bada bing, bada bing, bada boom  
Bada bing, bada bing, bada boom
