Where can I find the city of shining light In an ordinary world?
How can I leave a buried treasure behind In an ordinary world?

The days into years roll by It's where that I live until I die Ordinary world

What would you wish if you saw a shooting star In an ordinary world?
I'd walk to the end of the earth and afar In an ordinary world

Baby, I don't have much
But what we have is more than enough
Ordinary world

Where can I find the city of shining light? In an ordinary world How can I leave a buried treasure behind? In an ordinary world

Baby, I don't have much
But what we have is more than enough
Ordinary world
