## **Panic Song**

**Green Day** 

Ready for a cheap escape On the brink of self destruction Widespread panic

Broken glass inside my head Bleeding down these thoughts of Anguish... mass confusion

The world is a sick machine
Breeding a mass of shit
With such a desolate conclusion
Fill the void with... I don't care

There's a plague inside of me Eating at my disposition Nothing's left

Torn out of reality
Into a state of no opinion
Limp with hate

The world is a sick machine
Breeding a mass of shit
With such a desolate conclusion
Fill the void with... I don't care

I wanna jump out! (4x)
