Green Day

- B** **F#**  
1. Now I rest my head from  
**E** **B**  
Such an endless dreary time  
**B** **F#**  
A time of hopes and happiness  
**E** **B**  
That had you on my mind  
**B** **F#**  
Those days are gone and now it seems  
**E** **B**  
As if I'll get some rest  
**B** **F#**  
But now and then I'll see you again  
**E** **B**  
And it puts my heart to the test
- E** **F#** **B**  
R: So when are all my problems going to end?  
**E** **F#**  
I'm understanding now that  
**B** **As**  
We are only friends  
**A** **E**  
To this day I'm asking why  
**B A A E E B B** (4x)  
I still think about you
2. As the days go on I wonder  
Will this ever end?  
I find it hard to keep control  
When you're with your boyfriend  
I do not mind if all I am is  
Just a friend to you  
But all I want to know right now  
Is if you think about me too?
- R: So when are all... (2x)
