Green Day

**E** **As**  
1. I've got some scattered pictures lying on my bedroom floor.

**A** **B**  
Reminds me of the times we shared.

**B**  
Makes me wish that you were here.

**E** **As**  
Now it seems I've forgotten my purpose in this life.

**A**  
All the songs have been erased.

**B**  
Guess I've learned from my mistakes.

**C#** **E**  
R: Open the past and present.

**B** **A**  
Now and we are there.

**F#** **A** **E**  
Story to tell and I am listening.

**C#** **E**  
Open the past and present.

**B** **A**  
And the future too.

**F#** **A** **E**  
It's all I've got and I'm giving it to you.

2. Loose ends tied in knots. Leaving a lump down in my throat.  
Gagging on a souvenir.  
Lodged to fill another year.  
Drag it on and on until my skin is ripped to shreds.  
Leaving myself open wide.  
Living out a sacrifice.

R: Open the past and present...

**B** **A As E**  
\*: If you got no one  
**B** **A As E**  
And I've got no place to go  
**B** **A As E**  
Would it be alright?  
**B** **A B**  
Could it be alright?

3. = 1.

R: Open the past and present...

It's all I've got and I'm giving it to you.
