

Take Back

Green Day

B **A C**
1. You pushed me once to far again
B **A** **C**
I'd love to break your fucking teeth.
B **A** **C** **B**
Stick a knife in the center of your back
A **C** **B**
You better grow some eyes in the back of your head
A **C** **B**
I fight dirty just like your looks.

E **B** **E** **B**
R: Take... Back...Take...Back

2. The taste of bad blood on the tip of my tongue
An eye for an eye, gun for a gun
Cold-cocked and taking back what's mine
Expect it when you're least expecting it
No loss of love the smell of regret
Lights out, can't take anymore.

R: Take... (2x)
