

Waiting

Green Day

- A** **D**
1. I've been waiting a long time
Bm **E**
For this moment to come
A **D** **Bm E**
I'm destined for anything at all
2. Downtown lights will be shining
On me, like a new diamond
Ring out, under the midnight hour
3. No one can touch me now
And I can't turn my back
It's too late, ready or not at all
- A** **E**
R: I'm so much closer than
Em **A**
I have ever known...
G D G D G D
Wake up!
4. Dawning of a new era
Calling, don't let it catch ya
Falling, ready or not at all
5. So close, enough to taste it
I can almost embrace this
Feeling, on the top of my tongue
- R: I'm so much...
- G D G D G D G**
Better thank your lucky stars
6. I've been waiting for a long time
For this moment to come
I'm destined for anything at all
7. Dumbstruck, colour me stupid
Good luck, you're gonna need it
Where I'm going, if i get there at all
- A** **D Bm E**
Wake up
A **D** **Bm E A**
Better thank your lucky stars....
